

**WASHINGTON STATE FISHERIES BIBLIOGRAPHY
FISHERIES TITLES FILMED
by University of Washington Libraries
27 titles**

Overview

The following agriculture bibliography titles were filmed by the University of Washington Libraries as part of the *Preserving the History of U.S. Agriculture and Rural Life Grant Project* funded and supported by the National Endowment of the Humanities (NEH), Cornell University, the United States Agricultural Information Network (USAIN), and other land-grant universities.

More information, including other lists of forestry and fisheries titles filmed, how to order microfilm, and the *Preserving the History of U.S. Agriculture and Rural Life Grant Project* for Washington State can be found at:

WASHINGTON STATE FISHERIES BIBLIOGRAPHY: FISHERIES TITLES FILMED (27 titles)

1. ***Pacific fisherman***. Portland, Or.: M. Freeman Publications, Jan. 20, 1903-Nov. 1966. (v. 1-64 (Jan. 20, 1903-Nov. 1966)).
Note: Preceding Title: *Pacific coast fisheries* (1941-1967). Absorbed: *West coast fisheries* (Ceased with v. 4, no. 11, Aug. 1932) in 1932. Absorbed by: *National fisherman* (June 1954-) in 1967. Vols. for 1903-1914 and 1926-1966 include an annual statistical yearbook generally published as a January issue; for period 1915-1925, yearbooks lack numbering; yearbooks for 1927-1967 also called 25th-64th number. Some issues have title: *Pacific fisherman handbook*. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11646 for v. 1-64 (Jan. 20, 1903-Nov. 1966).
2. ***Save the Columbia River Salmon; brief submitted to Federal Power Commission in opposition to application of Washington Irrigation and Development Company for a license to construct a dam across the Columbia River at Priest Rapids, Washington***. Olympia, Wash.: Lamborn, 1924. (26 p. tables.).
Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11577.
3. Anderson, Clarence Louis. ***Preserved pickled herring***. 1924. (86 numb. l.).
Note: Bibliography: l. 86./ Dissertation: Thesis (M.S. in Fisheries)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11734.
4. Chen, Tung Pai. ***Use of sodium hypochlorite in the preservation of fishery products***. 1925. (43, [1] numb. l.).
Note: Bibliography: l. 41-43./ Dissertation: Thesis (M.S. in Fisheries)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11734.
5. Clough, Ray William. ***A biochemical study of Pacific Coast salmon, with particular reference to the formation of indol and skatol during decomposition*** 1922. (1 v. in 2. : ill.).
Note: Typescript. Includes bibliographical references (leaves 325-330). Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11734.
6. Cox, Manning William. ***The sockeye salmon controversy, an international problem***. 1922. (109 numb. l. maps.).
Note: Type-written./ Bibliography: l. 86-94./ Dissertation: A thesis submitted for the degree of Master of Arts--University of Washington, 1922. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11734.

WASHINGTON STATE FISHERIES BIBLIOGRAPHY: FISHERIES TITLES FILMED (27 titles)

7. Donaldson, Lauren Russell. ***Dried fish meals and canned carp as food, for young salmonoids***. 1931. (iv, 44 numb. L. tables (1 fold.) diagr.).
Note: Bibliography: L. 42-44./ Dissertation: Thesis (M.S.)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11735.
8. Gellermann, Mildred Prescott. ***Medusae of the San Juan Archipelago***. 1926. (100 l. 37 plates.).
Note: Dissertation: Thesis (M.S.)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11735.
9. Haig-Brown, Roderick Langmere. ***The western angler; an account of Pacific salmon and western trout***. New York: W. Morrow, 1947. (xii, 356 p. : ill., maps. ; 22 cm.).
Note: Includes bibliographical references and index. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11577.
10. Holder, Charles Frederick. ***Recreations of a sportsman on the Pacific coast***. New York: G.P. Putnam's sons, 1910. (ix, 399 p. illus. 22 cm.).
Note: Includes index. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11577.
11. Hume, Robert Deniston. ***Salmon of the Pacific coast***. San Francisco, Calif.?: Schmidt Label & Lithographic Co., 1893. (52 p., ill., port.).
Note: "With engravings showing the apparatus used for their artificial propagation and the operations of salmon fishing and canning as conducted at Gold Beach, Curry County, Oregon, U.S.A." Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11577.
12. Jarvis, Norman D. ***Iodine content of the Pacific coast salmon***. 1926. (168 numb. l.).
Note: Bibliography: p. 162-168./ Dissertation: Thesis (M.S.)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11734.
13. McKee, Lynne Guy. ***Effect of headspace and vacuum on internal pressure of salmon cans during processing***. 1929. (66 numb. l. incl. plates, tables, diagrs.).
Note: Bibliography: l. 66./ Dissertation: Thesis (M.S. in Fisheries)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11735.
14. Nightingale, H. W. ***The culture of the soft clam Mya arenaria***. 1925. (38 leaves, ill. ; 29 cm.).

WASHINGTON STATE FISHERIES BIBLIOGRAPHY: FISHERIES TITLES FILMED (27 titles)

Note: Includes bibliographical references (leaf 38)./ Dissertation: Thesis (M.S.)--University of Washington, 1925. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11734.

15. ———. ***Red water organisms : their occurrence and influence upon marine aquatic animals with special reference to shellfish in waters of the Pacific coast.*** Seattle: [Argus Press, 1936?]. (24 p., 2 leaves of plates, ill. ; 24 cm.).
Note: "Nov. 17, 1936"--p. 22./ Bibliography: p. 23-24. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11577.
16. Parks, Clarence Thomas. ***A chemical study of Pacific Coast canned crab.*** 1925. (59 numb. L. incl. plates, tables.).
Note: Bibliography: L. 59./ Dissertation: Thesis (M.S. in Food Preservation)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11734.
17. Puget Sound Biological Station of the University of Washington. ***Puget Sound Marine Station publications.*** Seattle: Puget Sound Marine Station, 1915-1917. (Vol. 1, no. 1 (Jan. 15, 1915)-v. 1, no. 26-29 (Aug. 10, 1917); 1 v. in 18 ; ill. ; ; 26 cm.).
Note: Succeeding Titles: Puget Sound Biological Station, *Publications*, Vol. 2, no. 32/34-v. 7, [no. 4]. (1915-1931). Superseded by: University of Washington, *Publications in oceanography*, vol. 1- vol. 4 no. 4 (1932-1960). Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11581 for v. 1-7 (Jan. 15, 1915-1931).
18. Rounsefell, George A. ***A racial study of the Pacific herring.*** 1929. (63 numb. L. incl. plates, tables.).
Note: Dissertation: Thesis (M.S.)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11735.
19. Schultz, Leonard P., and Allan C. DeLacy. ***Fishes of the American Northwest : a catalogue of the fishes of Washington and Oregon, with distributional records and a bibliography.*** Honolulu?: s.n., 1935-1936. (5 pts. in 1 v. ; 26 cm.).
Note: Includes indexes./ Bibliography: pt. 4, p. 215-223. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11577.
20. Schultz, Leonard P., and United States Forest Service. ***Salmonoid game fishes in the national forests of northwestern United States.*** Seattle: 1935. (26 p. illus.).
Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11577.

WASHINGTON STATE FISHERIES BIBLIOGRAPHY: FISHERIES TITLES FILMED (27 titles)

21. Sundborg, George, Joint Economic Committees of Canada and the United States, and International Pacific Halibut Commission. ***International fisheries cooperation between Canada and the United States in the North Pacific; a memorandum for the Joint Economic Committees of Canada and the United States***. Portland, Ore.: North Pacific Planning Project, 1943. (2 p. l., 70 p.).
Note: Reproduced from typewritten copy./ Appendix A: Reports of the International Fisheries Commission, p. [69]-70; Appendix B: Reports of the International Pacific Salmon Fisheries Commission. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11736.
22. Suomela, Arnie John. ***The age and growth of *Cymatogaster aggregatus* Gibbons collected in Puget Sound, Washington***. 1931. (iv, 43 numb. L. incl. plates, tables, graphs.).
Note: Dissertation: Thesis (M.S.)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11735.
23. Thompson, Seton Hayes. ***A study of factors affecting the shrinkage of clams during processing***. 1929. (42 numb. L. incl. tables, diags.).
Note: Bibliography: L. 41-42./ Dissertation: Thesis (M.S.)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11735.
24. University of Washington. ***University of Washington publications in fisheries***. Seattle: University of Washington Press, 1925-1927. (Vol. 1, no. 1-11).
Note: Succeeding Titles: University of Washington, College of Fisheries, *Publications in fisheries* Vol. 1, no. 12- v. 2, no. 6.; 2 v. (1928-1929); *University of Washington publications in fisheries*, vol. 2, no. 1-2 (1962-1975). Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11572 for v.1-v.2, no.6 (Mar. 1925-July 1929).
25. Washington (State). Dept. of Fisheries, and Harvey C. McMillin. ***The life-history and growth of the razor clam***. Olympia: F.M. Lamborn public printer, 1924. (52 p., ill. ; 23 cm.).
