

**WASHINGTON STATE FORESTRY BIBLIOGRAPHY
FORESTRY TITLES FILMED
by University of Washington Libraries
57 titles**

Overview

The following agriculture bibliography titles were filmed by the University of Washington Libraries as part of the *Preserving the History of U.S. Agriculture and Rural Life Grant Project* funded and supported by the National Endowment of the Humanities (NEH), Cornell University, the United States Agricultural Information Network (USAIN), and other land-grant universities.

More information, including other lists of forestry and fisheries titles filmed, how to order microfilm, and the *Preserving the History of U.S. Agriculture and Rural Life Grant Project* for Washington State can be found at:

<http://www.lib.washington.edu/preservation/projects/WashAg/index.html>

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

1. ***The Timberman***. Portland, Or.: G.M. Cornwall, 1899-1962. (Vols. 1 - 63).
Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11702 for vol. 6, no. 3 - v. 63, no. 7 (Jan. 1905 - June 1962). Preceding Title: *The Columbia River and Oregon timberman* vol. 1, no. 1 - v. 6, no. 2 (Nov. 1899 - Dec. 1904) also filmed. See Microfilm A11701.
2. Beard, Frank Wilson. ***History of industrial insurance and the need of an amendment to the compensation act of the state of Washington concerning "first aid"***. 1915. (22 numb. L.).
Note: Dissertation: Thesis (M.S. in Forestry)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
3. Brandner, Henry Philip. ***Systematic development of recreational resources on forest lands***. 1930. (50 numb. l. incl. plates, diags.).
Note: Bibliography: l. 50./ Dissertation: A thesis submitted for the degree of master of science in forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11733.
4. Burleigh, Thomas Dearborn. ***The economic value of bird life to the forests***. 1920. (31 l.).
Note: Bibliography: l. 31./ Dissertation: A thesis submitted for the degree of Master of Science--University of Washington, 1920. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
5. Carlson, Floyd Everett. ***Log scaling in southeastern Alaska with particular reference to wind shake defect***. 1930. (102 l. incl. photos, diags.).
Note: Bibliography: l. 101./ Dissertation: A thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11733.
6. Clayson Sr., Edward. ***Historical narratives of Puget Sound Hoods Canal, 1865-1885 ... The experience of an only free man in a penal colony***. Seattle: R.L. Davis Print. Co., 1911. (106 p. front. (port.) 19 cm.).
Note: On Seebeck, Washington, a lumber town operated by the Washington Mill Company. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11578.
7. Cory, Floyd Willard. ***The influence of Canadian competition on the pulpwood industry of the Pacific Coast***. 1927. (61 numb. l. front. (map) tables, diags.).

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

Note: "References" l. 53-54./ Dissertation: A thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.

8. Denny, Arthur Armstrong. ***Pioneer days on Puget Sound***. Seattle, W.T.: C.B. Bagley printer, 1888. (83 p. 18 cm.).
Note: Includes some account of the author's experiences in the lumber industry in Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11578.
9. Dodge, Estella Grace. ***The significance of spiral fission in the secondary Lamellae of the prosenchymatous tracheids of Douglas fir with special reference to shrinkage***. 1924. (35 numb. l.).
Note: Dissertation: Thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.
10. Douglas, Robert Walter. ***Treatment of western hemlock and Douglas fir paving blocks by the open tank process***. 1912. (26 numb. l. incl. illus., tables, fold. diags., fold. plan.).
Note: Dissertation: Thesis (M.S. in Forestry)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
11. Ellis, Salone. ***The last wilderness***. Boston: Small Maynard & Company, 1925. ([8], 356, [4] p. (last 4 p. blank) ; 20 cm.).
Note: Dedication: "To my father and mother, John William and Alice Kirkpatrick, and those pioneers who carved their way into the heart of the Olympic forest." Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11578.
12. Ericson, Oliver. ***The identification of the North American hickories based on the anatomy of the secondary wood***. 1913. (41 l. tables, photos.).
Note: Bibliography: l. 41./ Dissertation: Thesis submitted for the degree of Master of Science in Forestry--University of Washington, 1913. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
13. Fery, Carl Salvatore. ***Timber appraisal in the Douglas fir region***. 1928. (57 numb. l. incl. plates.).
Note: Bibliography: l. 56-57./ Dissertation: Thesis (M.F.)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11733.

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

14. Fogelquist, Charles Fridolph. ***Planing mill practice and design***. 1921. (61 numb. l. plates, plan, diagsr.).
Note: Dissertation: Thesis (M.S. in Forestry)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11731.
15. Foran, Harold George. ***Comparison of the systems of cruising used in the Northwest***. 1916. (35 L. illus.).
Note: Dissertation: A thesis submitted for the degree of Bachelor of Science--University of Washington, 1916. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
16. Gamm, Irvin William Otto. ***The fiber length of Douglas fir as a determinative characteristic in the perforation process of creosoting Douglas fir***. 1921. (60 L. plates, tables, diagsr.).
Note: Bibliography: L. 55-60./ Dissertation: A thesis submitted for the degree of master of science in forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11731.
17. Garvey, Clarence Ross. ***Overhead systems of logging in the Northwest***. 1914. (48 L. illus.).
Note: Bibliography: L.48a./ Dissertation: A thesis submitted for the degree of Master of Science in Forestry--University of Washington, 1914. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
18. Gordon, Claire Ivon. ***The relationship between the specific gravity and hygroscopicity of coniferous wood***. 1929. (52 numb. l. incl. tables, diagsr.).
Note: Bibliography: l. 51-52./ Dissertation: A thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11733.
19. Grondal, Bror Leonard. ***The comparative durability of Douglas fir, western hemlock and western red cedar as determined by an investigation of the stampede switchback***. 1913. (40 l. illus., photos.).
Note: Bibliography: l. 40./ Dissertation: Thesis submitted for the degree of Master of Science in Forestry--University of Washington, 1913. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

20. Hill, William Bancroft, Frederick Weyerhaeuser, and Mrs Louise Bertha Lindeke Weyerhaeuser. **Frederick Weyerhaeuser, pioneer lumberman**. Minneapolis: Printed by the McGill Lithograph Company, 1940. (3 p. l., 4-62 numb. l. incl. illus., ports., geneal. tab. 26 cm.).
Note: The first two of the four chapters contain a sketch of Frederick Weyerhaeuser's life by William Bancroft Hill; the third, "Some recollections of grandfather's early days", is in Weyerhaeuser's own words, as related to William Bancroft Hill; the fourth, "The house on the hill", is by Mrs. Louise L. Weyerhaeuser./ "Private edition." Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.
21. Holbrook, Stewart Hall. **Green commonwealth; a narrative of the past and a look at the future of one forest products community**. Seattle: Printed by F. McCaffrey at his Dogwood Press, 1945. (163 p. illus. (part col.) 23 cm.).
Note: Published for their friends by Simpson Logging Company, Shelton, Washington, 1895-1945. Illustrated by Phyllis Heady. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.
22. ———. **Holy old mackinaw : a natural history of the American lumberjack**. New York: The Macmillan Company, 1939, (c)1938. (viii, [2], 278 p., map ; 22 cm.).
Note: "Published March, 1938. Reprinted June, 1938; August 1938; January, 1939; February, 1939; October, 1939"--cf. verso t.p./ Map on lining-papers./ "A loggers' dictionary and compendium of useful knowledge": p. 258-265./ Includes bibliography (p. 268-270) and index. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.
23. Honnen, Hugh Henry. **Tractor logging**. 1929. (85 numb. l. incl. illus., plates.).
Note: Bibliography: l. 85-85a./ Dissertation: A thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11733.
24. Hosmer, Paul. **Now we're loggin'**. Portland, Or.: Binfords & Mort, 1930. (144 p. ; 22 cm.).
Note: "Accounts of various lumbering occurances, treated lightly." Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.
25. Industrial Workers of the World. **The lumber industry and its workers**. Chicago: Industrial Workers of the World, 1920. (91 p., ill.; 23 cm.).
Note: Later editions in 1921 and 1922. Microfilmed as part of USAIN state and local

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.

26. Jackson, Alexander Grant. ***Studies in Douglas fir (Pseudotsuga Taxifolia)***. 1909. (24 numb. l. 21 plates.).
Note: Type-written./ Dissertation: Thesis submitted for the degree of Master of Science in Forestry--University of Washington, 1909. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
27. Kaul, Sheo Nath. ***Applicability of American methods of logging to the Himalayan forests of India with special reference to those in Kashmir state***. 1923. (195, [4] numb. l. incl. illus., plates, tables, map.).
Note: Bibliography: l. [i]-ii at end./ Dissertation: A thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.
28. Knapp, Frederic Malcolm. ***Logging by motor truck***. 1920. (65 L. illus.).
Note: Bibliography: L.64-65./ Dissertation: A thesis submitted for the degree of Master of Science--University of Washington, 1920. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
29. Koroleff, Alexander. ***Logging by crawler-type tractors***. 1921. (78 l. plates, tables.).
Note: Dissertation: Thesis (M.S. in Forestry.)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11731.
30. Mason, David Townsend, and Donald Bruce. ***Sustained yield forest management as a solution to American forest conservation problems***. Portland, Or.: Mason & Stevens, 1931. (47 p.).
Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.
31. Miyashita, Yasuo. ***The relation between surface hardness and gross hardness of Japanese woods***. 1924. (35 numb. L. incl. tables.).
Note: Dissertation: A thesis submitted for the degree of Master of Forestry, University of Washington, 1924. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.
32. Moody, Alan Kenneth. ***Cascara sagrada (Rhamnus pusiana) : its history, growth, and possibilities in cultivation*** 1921. ([3], 24, 3 leaves ;).

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

Note: A thesis submitted for the degree of Master of science in forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11731.

33. Orr, Gilbert McMaster. **Logging inclines**. 1925. (114 numb. L. incl. illus., diags., maps.). Note: Dissertation: A thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.
34. Pacific Northwest Forest and Range Experiment Station. **Forest research notes**. Portland, Or.: The Station, 1928-1948. (no. 1-45.; 45 nos.; ill., maps (part fold.); 29 cm.). Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11576 for no.1-45 (1928-1984). Succeeding Title: Pacific Northwest Forest and Range Experiment Station (Portland, Or.). *Research notes - U.S. Department of Agriculture, Forest Service, Pacific Northwest Forest and Range Experiment Station (1948-1962)* also filmed. See Microfilm A11576 no. 46-221 (1948-1962). .
35. Pacific Northwest Forest and Range Experiment Station, and Forest Insect Field Laboratory. **Publications of members of the Pacific Northwest Forest and Range Experiment Station and the Forest Insect Laboratory, 1924-1938**. Portland, Or.: The Station, 1938. (38 p. ; 27 cm.). Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.
36. Pacific Northwest Forest and Range Experiment Station, Thornton T. Munger, and Ernest L. Kolbe. **The Wind River Arboretum from 1912 to 1932**. Portland, Ore.: The Station, 1932. (22 leaves, [8] leaves of plates). Note: And supplements: *The Wind River Arboretum from 1932 to 1937 (1937)* and *The Wind River Arboretum from 1937-1946 (1947)*. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11736. All three *Wind River* titles filmed.
37. Penas, Nazario. **The determination of errors in partial cruising in the Pacific Northwest and amount of waste left in the woods after logging**. 1923. (64 numb. L. illus., tables.). Note: Dissertation: Thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11731.
38. Pope, Clarence R. **Shade trees of Seattle**. 1911. (25 l. photos.). Note: Dissertation: Thesis submitted for the degree of Master of Science in Forestry-- University of Washington, 1911. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm

A11730.

39. Rao, Deshapande Narasimha Moorthy. ***Logging methods in the Pacific Coast states and the Inland Empire and their applicability to the forests of the state of Mysore, India.*** 1927. (237 numb. l. incl. illus., maps, diags.).
Note: Dissertation: A thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11733.
40. Recart, Horacio. ***A study of Chilean woods.*** 1923. (55 numb. L. incl. plates.).
Note: Type-written./ Bibliography: L.20-21./ Dissertation: A thesis submitted for the degree of Master of Forestry--University of Washington, 1923. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11731.
41. Rengstorff, Erwin Henry. ***Revision of methods in computing volumes of piling for creosoting.*** 1916. (26 L. illus.).
Note: Dissertation: A thesis submitted for the degree of Master of Science in Forestry--University of Washington, 1916. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
42. Rigg, George B. ***The red fir and other conifers of the Pacific northwest.*** 1909. (60 L. photos.).
Note: Bibliography: L.60./ Dissertation: Thesis submitted for the degree of Master of Arts--University of Washington, 1909. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
43. Sanders, Arthur Leslie. ***The elimination of waste in sawmill practice.*** 1926. (54 numb. l. incl. tables.).
Note: Type-written./ Dissertation: A thesis submitted for the degree of Master of Forestry--University of Washington, 1926. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.
44. Schneider, Isaac. ***The topographameter - a new instrument for measuring horizontal and vertical distances.*** 1915. (11 L. illus.).
Note: Dissertation: A thesis submitted for the degree of Master of Science in Forestry--University of Washington, 1915. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

45. Shull, Josiah Theodore. ***Overhead logging on the Pacific coast***. 1926. (92 numb. I. plates, diags.).
Note: Bibliography: I. 90-92./ Dissertation: A thesis submitted for the degree of master of forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.
46. Stamm, Samuel A. ***Description and comparison of an efficient sawmill***. 1912. (34 [1] numb. L plans.).
Note: Dissertation: A thesis submitted for the degree of master of science in forestry, Univ. of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
47. Studley, James Donald. ***The cost of kiln drying compared to the cost of air seasoning heavy sizes of green southern swamp oak***. 1924. (52 numb. L. plates.).
Note: Type-written./ Dissertation: A thesis submitted for the degree of Master of Forestry--University of Washington, 1924. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.
48. Sylven, Oscar Gustaf Helge. ***Compilation of our knowledge of the Douglas fir***. 1920. (173 numb. I. incl. illus., tables (part fold.), diagr.).
Note: Bibliography: I. 166-173./ Dissertation: A thesis submitted for the degree of Master of science in forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11731.
49. Tamesis y Revuelta, Florencio. ***The relation of the hygroscopicity of wood to temperature***. 1923. (43 numb. I. plates.).
Note: Bibliography: I. 41-43./ Dissertation: Thesis submitted for the degree of Master of science in forestry, University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11731.
50. United States Spruce Production Corporation. ***History of Spruce Production Division, United States Army and United States Spruce Production Corporation***. Portland, Or.: Press of Kilham Stationery & Printing Co., 1920. (126 p. illus. 26 cm.).
Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

51. United States. National Resources Committee. **Regional planning. Part I - Pacific Northwest ... May, 1936.** Washington: Govt. Print. Off., 1936. (xxiv, 192 p. tables, maps (part fold.)).
Note: Report of the Pacific Northwest Regional Planning Commission., Columbia basin study, Dec. 1935. p. [xxi]-xxiv, 1-192. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11736.
52. University of Washington. Forest Club. **Annual.** Seattle: The Club, 1913-1921. (Vol. 1 (1913)-v. 9 (1921).; v. :; ill.).
Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11574 for v.1-9 (1913-1921). Succeeding Title: *University of Washington Forest Club quarterly* (1922-) also filmed. See University of Washington Libraries Microfilm A11574 for v.1-24 (1922-1950/51). .
53. Washington (State). State Fire Warden. **Report of the State Fire Warden for the year ...** . Olympia, Wash.: State Fire Warden, 1906-1908. (4 v. : ill. ; 23 cm.).
Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11598 for 1906-1907/1908. Succeeding Titles: *Report of the State Forester and Fire Warden* (1909/1910-1914); *Annual reports, Washington State Forester, for the years ending ...* , (1915/1916-1919/1920); *Biennial report, Forestry Division, for the period commencing ...* (Dec. 18, 1920/Oct. 31, 1922); *Annual reports, Division of Forestry, for the period commencing ...* (1922/1924-1954/1956) also filmed. See Microfilm A11598.
54. Wernham, John William Kench. **The veneer industry and its relation to the profitable utilization of south Indian hardwoods.** 1925. (63 l. incl. plates.).
Note: Dissertation: Thesis (M. Forestry)--University of Washington. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11732.
55. Williams, Guy. **Logger-talk : some notes on the jargon of the Pacific Northwest woods.** Seattle: University of Washington Book Store, 1930. (30 p. ; 19 cm.).
Note: Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.
56. Winkenwerder, Hugo, and American Tree Association. **Forestry in the Pacific Northwest.** Washington, D.C.: American tree association, 1928. (48 p. 23 cm.).
Note: by Hugo Winkenwerder ... with foreword by Charles Lathrop Pack ... Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11585.

WASHINGTON STATE FORESTRY BIBLIOGRAPHY: FORESTRY TITLES FILMED (57 titles)

57. Young, Lukens Peirce. *Comparison of different methods of estimating timber*. 1917. (25 L. illus.).
Note: Dissertation: A thesis submitted for the degree of Master of Science in Forestry-- University of Washington, 1917. Microfilmed as part of USAIN state and local literature preservation project. Washington. See University of Washington Libraries Microfilm A11730.
